

Cunninghams Castle Minerva Nature Reserve Byrne Valley, Richmond 30 March 2025

Sixteen hiking club members, with Malcolm Millar as our resident guide, met at the Minerva Nature Reserve and were well led by Renata Ruggeri on a very enjoyable four and a half hour round trip, via the beacon at the highest point for a photo shoot.

Lunch was enjoyed at the rather precarious Picnic Rock with spectacular views which made the risk of losing your life actually worth it.

It turned out to be a perfect day with ideal hiking weather and even the threat of afternoon downpours quietly evaporated as the day unfolded.

We all look forward to 2 November so that we can take a second bite at this apple.
