

# Karkloof

22 June 2025

Location:

Karkloof Country Club

Distance : 11.4 km

13 Hikers & Willow

Run. Ride. Thrive.

The hike that was originally planned was cancelled and thanks to Barry for the suggestion and to Ali for leading this walk in the Karkloof "a plan was made".

It was a cool start to the day, but sunny with a breeze. We met at the Karkloof country club and carpoled to The Old Mushroom Farm where we started the walk.

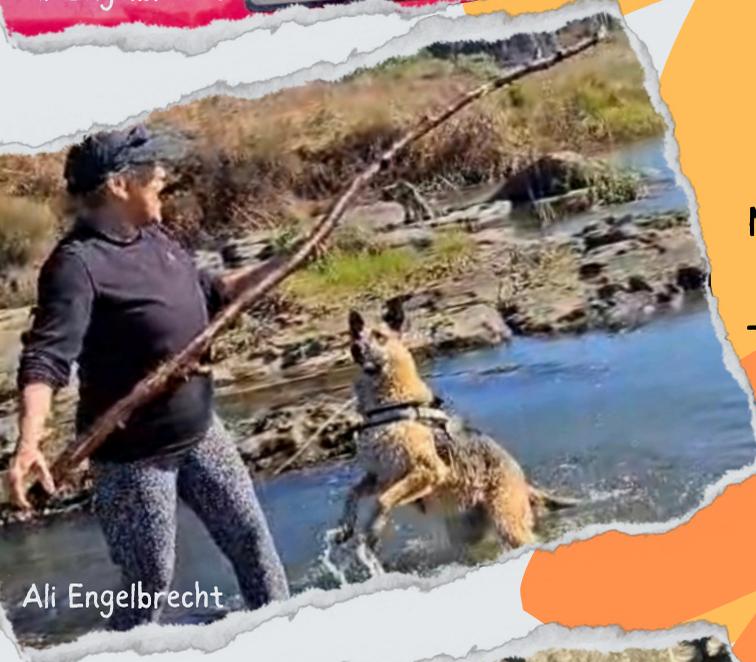

The walk took us to the Karkloof falls where we stopped for a snack. Then back to country club, with a couple of stops to strip off those warm layers..

The last stop was at the river where Willow enjoyed a swim and an opportunity to play while we enjoyed the scenery.

It turned out to be a beautiful winters day with good company.
