

# Nature, Stillness, and Adventure All in One Place!

The Midlands Hiking Club recently embarked on an unforgettable outing to the Karkloof Safari Spa, nestled in the heart of the KwaZulu-Natal Midlands. This private game reserve is where wild beauty meets serene stillness, and our hikers were treated to a day that will be remembered for a lifetime

From the moment we set out, the reserve revealed its treasures, to mention a few species - giraffe, zebra, buffalo, nyala, waterbuck and the cutest newborns roaming freely across untamed landscapes. Guided by the knowledgeable volunteers of the Lions River KZN Ezemvelo Honorary Rangers, our group enjoyed safe passage and fascinating insights into the environment and its inhabitants.

The highlight of the day? The Boardwalk to the base of the iconic Karkloof Falls. As we approached, the thunderous cascade greeted us with a misty spray, cooling our faces with magical droplets of water. Standing there, surrounded by lush forest and the roar of the falls, we felt the pure essence of nature – powerful, healing, and breathtaking.

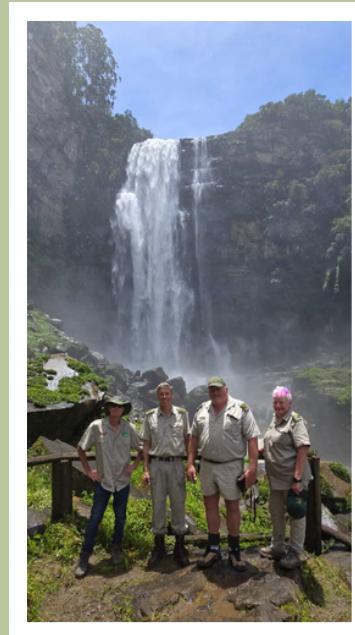

Beyond the adventure, Karkloof Safari Spa offers so much more:

- Weddings and events at The Homestead a wildly romantic venue with sweeping valley views.
- Game drives and guided walks, perfect for anyone wanting to reconnect with nature at their own pace.

*This outing reminded us why the Midlands Hiking Club believes the journey is as important as the destination and what a destination this was!*

Conveniently located just 25 minutes from Pietermaritzburg and 90 minutes from Durban, Karkloof Safari Spa is waiting to welcome you.

Whether you're seeking adventure, relaxation, or the perfect wedding venue, this reserve is a true gem of the Midlands.
