CLIVIA HIKE A MAGICAL DAY IN THE KARKLOOF FORESTS

What an absolutely amazing day on the trails! ❤️👟

Today's Clivia Hike was truly something special, with over 40 hikers from the *Ramblers Hiking Club* and *Midlands Hiking Club* coming together for what turned out to be a memorable and electrifying day in nature.

Led by *Zohra Vahed from Ramblers* and *Neville from Midlands Hiking Club*, the two groups joined forces at Shawswood on Karkloof Road and set off towards the magnificent Grey Mare's Tail Falls.

The hike certainly tested us! 💪 The first part brought some very steep uphill sections, followed by challenging descents through beautiful indigenous forest. But every bit of effort was rewarded as we made our way through the forest and were treated to the spectacular sight of the naturally occurring Clivias in full bloom. 🌸🌸🌸

There was something truly magical about walking through the forest surrounded by these beautiful flowers. The scenery, the forest, the waterfalls and, most importantly, the wonderful company made this hike one to remember.

But perhaps the most *special part of the day was seeing two hiking clubs coming together as one big hiking family.* There was such a wonderful spirit of friendship, laughter, camaraderie and togetherness throughout the day. 🤝

With more than 40 members joining us, it was fantastic to see such an incredible turnout. Days like today remind us that hiking is about so much more than reaching the summit or completing the kilometres it's about the people we meet, the friendships we build, the beauty we experience and the memories we create together.

A huge thank you to Zohra and Neville for leading us and bringing both clubs together, and to every single person who joined and contributed to making the day so special.

🌸 Beautiful trails. Beautiful Clivias. Beautiful people. Beautiful memories. 🌸
Here's to many more joint hikes and adventures together! 👟🌿❤️
