CUMBERLAND NATURE RESERVE HIKE 27TH SEPTEMBER 2026

In spite of a hectic storm on Saturday night and a dodgy forecast for Sunday, I was determined not to cancel another hike in Cumberland. We were very fortunate to have a sunny, warm morning for our hike although a bit muddy on the path up to the krantz. Tea break was enjoyed at the top of the krantz with a great view over the gorge.

Lunch break at the picnic site with sightings in the distance of zebra and blesbok. but sadly not as many animal sightings as in the past.

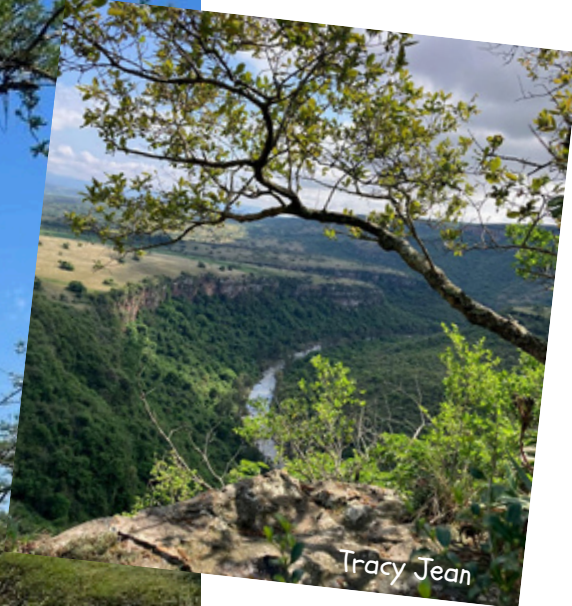

After lunch 5 members of the group left to return home. Four of us hiked a loop on the horseshoe trail where we were fortunate to see a giraffe and a very new baby.

On the way back to the cars I challenged the group to do the obstacle course – they declined due to the fact that I was not a qualified instructor!
